SCALE OF WEIGHT FOR AGE FOR FLAT RACES - (NORTHERN HEMISPHERE BRED)

Note: Attention is drawn to the provisions of Rule (F)29.2

The scale of weight for age is published by authority of the Directors of the British Horseracing Authority as a guide to Clerks of Courses in the framing of races. It is founded on the scale published by Admiral Rous and revised by him in 1873. It has been modified in accordance with suggestions from the principal trainers and practical authorities; it has been further revised since and is republished in its present form.

Expressed as the number of pounds that it is deemed the average horse in each age group falls short of maturity at different dates and distances.

EUROPEAN PATTERN COMMITTEE

AIMS

1. The European Pattern Committee (the Committee) aims to assist the provision of a co-ordinated programme of quality races in each age, sex and distance category within the member countries and throughout Europe as a whole.
2. The Committee aims to achieve a balance of Group races within the European Pattern, so that there are more Group 3 races than Group 2 and more Group 2 races than Group 1, and the total number of Group 3 races exceeds the total combined number of Group 1 and Group 2 races.

MEMBERSHIP AND ADMINISTRATION

1. The Committee includes four member countries: Britain, France, Germany and Ireland, represented by their respective racing authorities: the British Horseracing Authority, France Galop, the Deutscher Galopp e.V. - Verband für Vollblutzucht und Rennen and Horse Racing Ireland (HRI). Any other European country which stages a race which has been granted Group status by the Committee is regarded as an associate member and may be represented at the Annual Meeting with observer status but without a vote. Other European countries which stage a race which has been granted Listed status by the Committee, or who are looking to stage a race with Listed status, must work through one of the existing four member countries of the Committee, who will represent them at the Annual Meeting and help to compile the necessary race ratings for the race(s) concerned.
2. The Secretariat will be provided by the British Horseracing Authority on terms to be agreed from time to time.
3. The Committee will have available to it the annual World's Best Racehorse Rankings (WBRR) produced by the WBRR Committee of the International Federation of Horseracing Authorities (IFHA). The Committee is responsible for nominating three members of the WBRR Committee including a co-Chairman.
4. Any European country, whether a member, associate member, or one looking to stage a Listed race approved by the Committee, must be a signatory to Article 6 of the IFHA's International Agreement on Breeding, Racing and Wagering.

(Note: In all cases, countries must be a member of the European & Mediterranean Horseracing Federation)

GROUND RULES

1. GENERAL RULES FOR EUROPEAN PATTERN AND LISTED RACES

Every European Pattern and Listed race must conform to the following rules:

- 1.1 It must have no geographically-based conditions of entry with regard to the place of the horse's birth, training or ownership.
- 1.2 It must have a permanent element within the race title, to which a prefix or suffix may be added.
- 1.3 It must justify its Group or Listed status by the quality of its runners, assessed primarily by its Average Race Rating.

- 1.4 An Average Race Rating is the average of the Yearly Race Ratings achieved by a race over a three-year period. The Yearly Race Rating is the average of the official ratings, as agreed by the WBRR Committee, of the first four horses to finish in any given year. In addition, any fillies and mares finishing in the first four in open competition will have 4lb added to their official ratings for the sole purpose of calculating Yearly Race Ratings. If a race is abandoned during any three-year period, the Average Race Rating will be calculated using the average of the three most recent Yearly Race Ratings available.

The Average Race Ratings below are the standard which a race should achieve to justify Pattern or Listed status:

Group 1	Group 2	Group 3	Listed
115	110	105	100

For certain races, however, other parameters will apply as follows:

3-y-o's and/or older fillies' and mares' races

Group 1	Group 2	Group 3	Listed
110	105	100	95

2-y-o races (other than fillies' events)

Group 1	Group 2	Group 3	Listed
110	105	100	95

2-y-o fillies' races

Group 1	Group 2	Group 3	Listed
105	100	95	90

- 1.5 Group 1 races must be run with no penalties or allowances other than a sex allowance and a weight-for-age allowance where applicable.
- 1.6 Geldings may be eligible for all Pattern races except those Group 1 races confined to 2yos or 3yos.
- 1.7 No Group or Listed race can be restricted to maiden horses, or horses that have been sold or bought in at a specified public sale(s).
- 1.8 No Group or Listed race should be permitted to divide into two or more divisions.
- 1.9 No Group or Listed race will be run as a handicap (other than the European Free Handicap).
- 1.10 No Group or Listed race may have a standard entry cost which exceeds 2% of the advertised total prize fund.
- 1.11 Total prize money, as advertised, must be paid out no later than 90 days after the date of the race.

Under certain circumstances the Committee may decide to temporarily suspend a rule, or rules, in order to implement an agreed strategic project designed to have a positive long-term impact on European racing and/or breeding.

2. DEFINITION OF CHANGES

For the purposes of the Ground Rules, changes to Pattern and Listed races requiring consideration by the Committee are defined as:

- 2.1 Any change to the Group of a Pattern race.
- 2.2 Any change to the distance, age or sex restriction, date, venue or surface of a Pattern or Listed race.
- 2.3 Any change to the permanent element in the name of a Pattern or Listed race.
- 2.4 Any change of more than 50% to the total value of a Group 2 or Group 3 Pattern race.
- 2.5 The introduction of a new Pattern or Listed race.
- 2.6 The deletion of an existing Pattern or Listed race.

3. RULES GOVERNING EUROPEAN PATTERN AND LISTED RACE CHANGES

3.1 Upgrading of Existing Pattern and Listed Races and the Creation of New Pattern and Listed Races

The following rules shall apply to the upgrading of Pattern races by Group and admission of new races to the Pattern, and the creation of new Listed races, and shall be waived only in exceptional circumstances and with the unanimous agreement of the Committee.

In the case of a decision requiring approval from a majority of the Committee, the country submitting the proposal shall not have a vote. In the event of a tie, the proposal shall be rejected.

- 3.1.1 To qualify for upgrading or admission to the Pattern a race must have been run with similar race conditions, comparable prize money and on a similar date for at least the last three years. (Note: a change in venue and/or surface is acceptable).
- 3.1.2 An application for upgrading or admission of a race which has been abandoned once within the last three years may be submitted only if both of the last two Yearly Race Ratings meet the required parameter.
- 3.1.3 Upgrading of Existing Pattern Races
 - 3.1.3.1 An existing Pattern race satisfying the requirements for upgrading may be upgraded by only one Group in any one year.
 - 3.1.3.2 A race shall be eligible for promotion to Group 1 or Group 2 if the race in question achieves both an Average Race Rating and a Yearly Race Rating for the last year, in excess of the applicable parameter.
 - 3.1.3.3 No race shall be eligible for upgrading to Group 1 or Group 2 if such an upgrade would involve a clash liable to have adverse effects on an existing Group 1 or Group 2 race.
 - 3.1.3.4 The upgrading of any race already in the Pattern must be approved unanimously by the Committee. (N.B. If a member country chooses to exercise its veto it must do so only on the basis of race planning grounds, and therefore with the overall aims of the Committee in mind.)

- 3.1.3.5 The number of races to be upgraded within the Pattern in any country will be limited to a maximum of two upgrades in any one year.
- 3.1.4 Upgrading of Listed Races into the Pattern
- 3.1.4.1 A Listed race satisfying the requirements for admission into the Pattern can only be introduced as a Group 3 race.
- 3.1.4.2 A race shall be eligible for promotion to Group 3 if the race in question achieves both an Average Racing Rating and a Yearly Race Rating for the last year which is at least 2lb (in both respects) in excess of the applicable parameter.
- 3.1.4.3 The promotion of a Listed race to Group 3 must be approved by a majority of the Committee.
- 3.1.4.4 Any country may introduce one additional race into the Pattern in any one year (but no more than one, other than in an exceptional case approved unanimously by the Committee) provided that the race fulfils the necessary requirements as above.
- 3.1.4.5 Applications for new races to become Pattern races from associate members, or from any other European country wishing to upgrade an existing Listed race into the Pattern, must be approved by a majority of the Committee. Applications will be considered on their individual merits and races must achieve the race rating parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.
- 3.1.5 New Listed Races
- 3.1.5.1 Any country may introduce only one additional Listed race in any one year (other than in an exceptional case approved unanimously by the Committee).
- 3.1.5.2 Subject to the above, the specific race conditions for any new Listed race introduced by a member country does not require the approval of the Committee.
- 3.1.5.3 Applications for new races to become Listed races from associate members, or from any other European country wishing to stage a Listed race, must be approved by a majority of the Committee. Applications will be considered on their individual merits and races must achieve the Listed race parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.
- 3.1.5.4 Notwithstanding the foregoing, there shall be no limit to the maximum number of new Listed races which may be created by any European country which is not a member, or an associate member, of the Committee (after approval by a majority of the Committee), provided that each such race achieves the Listed race parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.

3.2 Downgrading or Deleting Pattern or Listed Races

The following rules shall apply to the downgrading/deletion of Pattern or Listed races

3.2.1 Group 1 Races and Classic Races for 3 Years Old Only

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for 2 consecutive years then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is more than 2lb below the parameter in each of the last 2 years a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is more than 2lb below the parameter in each of the last 3 years then a majority vote will decide if the race should be downgraded.

3.2.2 Group 2 Races (Excluding those Classic Races for 3 Years Old Only)

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for 2 consecutive years then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is below the parameter in each of the last 2 years a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last 3 years then a majority vote will decide if the race should be downgraded. If it is not downgraded, then the Yearly Race Rating will need to meet the required parameter in the following year or the race will be downgraded automatically.

3.2.3 Group 3 Races

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for 2 consecutive years then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is below the parameter in each of the last 2 years a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last 3 years it will be downgraded automatically.

3.2.4 Listed Races

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for 2 consecutive years it will be downgraded automatically.
- If the Yearly Race Rating is below the parameter in each of the last 2 years a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last 3 years it will be downgraded automatically.

- 3.2.5 When assessing the potential downgrade of a Group 1 race, or a Classic race for 3 years old only, the Committee may additionally take account of the ratings of the four highest rated horses in the race as well as the first four to finish.
- 3.2.6 The Committee must be informed at the Annual Meeting of any voluntary downgrading or deletion of a Pattern or Listed race by the country concerned. However, no country will have any right of veto in such circumstances.
- 3.3 The following rules shall apply to any other amendments defined as changes to Pattern or Listed races:**
 - 3.3.1 Any change to the distance, age, sex restriction or date of a Group 1 or Group 2 race must be approved unanimously by the Committee.
 - 3.3.2 Any change to the distance, age, sex restriction or date of a Group 3 race must be approved by a majority of the Committee, whilst any such changes to a Listed race must be notified to the Committee (subject to 3.3.5 below).
 - 3.3.3 Any change of surface or venue, any change to the permanent element in the name of a Pattern or Listed race, and any change of more than 50% to the total value of a Group 2 or 3 Pattern race should be approved by the majority of the Committee.
 - 3.3.4 A member country should only exercise its veto on the basis of race planning grounds, and therefore with the overall aims of the Committee in mind.
 - 3.3.5 For Listed races run in countries which are not a member, or an associate member, of the Committee, any such changes outlined in 3.3.2 must be presented to the Committee at the Annual Meeting by the member representing that country, and will require the unanimous approval of the Committee.

4. WEIGHT-FOR-AGE AND SEX ALLOWANCES

The Committee aims to utilise and retain identical weight-for-age scales and sex allowances across all member and associate member countries.

5. NOTIFICATION & IMPLEMENTATION OF CHANGES

- 5.1 All Pattern and Listed race proposals for the following year must be notified to the Secretariat by 12 December for immediate circulation to all member and associate member countries. This requirement shall be observed strictly so as to ensure time for proper consideration of the proposals before the Annual Meeting of the Committee.
- 5.2 Proposals submitted in accordance with Paragraph 5.1 must later be updated to contain the official ratings, as agreed by the WBRR Committee, and returned to the Secretariat at least 10 days in advance of the Annual Meeting. The Committee may reject any Pattern or Listed race proposals returned with incomplete information.
- 5.3 Changes shall be implemented for the immediate season if accepted according to the Ground Rules.
- 5.4 Until a public announcement has been made by the Committee, there must be no official statement to the media of any proposed or approved changes to Pattern and Listed races.

Races run on the All Weather Track are shown in **bold** type.

Yearly Race Ratings are calculated using the average end of season rating for the first four placed horses.

The fillies' allowance applied domestically in Pattern races has been added to the end of season rating for fillies placed in open races.

The Average Race Rating is calculated using the average Yearly Race Ratings for the three most recent years available.

LISTED RACES

Races run on the All Weather Track are shown in **bold** type.

Yearly Race Ratings are calculated using the average end of season rating for the first four placed horses.

The fillies' allowance applied domestically in Pattern races has been added to the end of season rating for fillies placed in open races.

The Average Race Rating is calculated using the average Yearly Race Ratings for the three most recent years available.

REVIEW OF 2019 PATTERN AND LISTED RACES **RANKED IN ALPHABETICAL ORDER BY STATUS OF RACE**

GROUP ONE

TWO YEAR OLD RACES

(PARAMETER 110 OR 105 FOR RACES RESTRICTED TO FILLIES)

2020 Date	Racecourse	Race Title	Age/ Sex	Dist.	2017 Rating	2018 Rating	2019 Rating	Average Race Rating

Races run on the All Weather Track are shown in **bold** type.

Yearly Race Ratings are calculated using the average end of season rating for the first four placed horses.

The fillies' allowance applied domestically in Pattern races has been added to the end of season rating for fillies placed in open races.

The Average Race Rating is calculated using the average Yearly Race Ratings for the three most recent years available.

Races run on the All Weather Track are shown in **bold** type.

Yearly Race Ratings are calculated using the average end of season rating for the first four placed horses.

The fillies' allowance applied domestically in Pattern races has been added to the end of season rating for fillies placed in open races.

The Average Race Rating is calculated using the average Yearly Race Ratings for the three most recent years available.

British Flat Pattern and Listed Races 2020

- Details of all British Flat Pattern and Listed Races.
- Clear indexing by race type and distance.
- Racecourse maps and contacts.
- Rules applying to the Flat Pattern.
- Historical ratings applying to races.
