

Training Courses and Assessment Dates - 2025

Please find below the course dates for the various training assessments for jockeys and trainers.

Jockey Training Courses are invitation only and applicants will need to have attended and reached the required standard at a Pre-Licence Assessment. Information on how to apply can be found on our [website](#). Jockey licence courses will continue to be mixed and open to both Apprentice and Conditionals in 2025.

Category A assessments are booked via the relevant racing school directly. To apply for a Category B assessment, please see details on our [website](#).

Fitness assessments are requested directly by the BHA Licensing Team. This is in line with the requirements set out in section 9 of the Professional Jockey Guidance notes and section 12 of the Amateur Rider Guidance Notes. Both documents can be found on our [website](#).

Trainers wishing to attend one of the modules should contact the relevant racing school direct. Further details on the Modular Training Programme and a Licence to Train can be found on our [website](#).
