SCALE OF WEIGHT FOR AGE FOR FLAT RACES - (NORTHERN HEMISPHERE BRED)

Note: Attention is drawn to the provisions of paragraph 17 of the Weights and Handicapping Code

The scale of weight for age is published by authority of the Directors of the British Horseracing Authority as a guide to Clerks of Courses in the framing of races. It is founded on the scale published by Admiral Rous and revised by him in 1873. It has been modified in accordance with suggestions from the principal trainers and practical authorities; it has been further revised since and is republished in its present form.

Expressed as the number of pounds that it is deemed the average horse in each age group falls short of maturity at different dates and distances.

EUROPEAN PATTERN COMMITTEE

TERMS OF REFERENCE – EUROPEAN PATTERN COMMITTEE

1. PURPOSE

- 1.1 The role of the European Pattern Committee (the Committee) is to consider matters and, where required, make decisions, relating to maintaining and improving a sustainable and balanced programme of Pattern and Listed races across Europe, to test the best Flat horses over a range of distances throughout the year. The Committee shall have due regard to the Ground Rules of the Committee and the symmetry of the European Pattern race programme generally with regard to the progression of the best horses.
- 1.2 The Committee aims to achieve a balance of Group races within the European Pattern, so that there are more Group 3 races than Group 2, and more Group 2 races than Group 1, and the total number of Group 3 races exceeds the total combined number of Group 1 and Group 2 races.

2. MEMBERSHIP AND ADMINISTRATION

- 2.1 The Committee currently includes the following Member Countries: Great Britain, France, Germany and Ireland, represented by their respective racing authorities: the British Horseracing Authority, France Galop, Deutscher Galopp e.V - Verband für Vollblutzucht und Rennen and Horse Racing Ireland (HRI).
- 2.2 Subject to section 3, any European country which stages a Group 1 race may become a Member of the Committee, subject to the unanimous approval of the Member Countries.
- 2.3 Any other European country which stages a race which has been granted Group status by the Committee may be admitted as an Associate Member by a unanimous decision of the Member Countries. An Associate Member may be represented at formal meetings of the Committee, subject to the discretion of the Committee Chair, with observer status but without a vote. The following countries are currently Associate Members: Turkey, Italy, Norway, Sweden, Denmark.
- 2.4 Other European and Mediterranean Horseracing Federation (EMHF) countries which stage a race that has been granted Listed status by the Committee, or who are looking to stage a race with Listed status, must work through the Secretariat of the EMHF, who will represent them at the formal meetings of the Committee, as well as seeking the assistance of the European co-Chairs of the World's Best Racehorse Rankings (WBRR) Committee of the International Federation of Horseracing Authorities (IFHA) in order to compile the necessary race ratings for the race(s) concerned.
- 2.5 The Secretariat will be provided by a Member Country for a five-year term, on terms to be agreed by the Committee from time to time.

- 2.6 The Committee will have available to it the annual World's Best Racehorse Rankings produced by the WBRR Committee. The Committee is responsible for nominating annually three members of the WBRR Committee including one of the co-chairs. The terms of office of each member of the WBRR Committee shall not exceed three years at a time and will normally expire on 31 January, unless agreed otherwise by the Committee. Any of the nominated members may be reappointed for a further term or terms of office. Total length of service in excess of nine years shall be on an exceptional basis only.

3. MEMBERSHIP CRITERIA AND REMOVAL OF MEMBERSHIP

- 3.1. Each Member Country and Associate Member must be a member of the EMHF and the IFHA and must be a signatory to Article 6 of the IFHA Agreement on Breeding, Racing and Wagering. If a Member Country or Associate Member ceases to satisfy one or more of these requirements, it shall immediately cease to be a Member Country/Associate Member.
- 3.2. The Member Countries, acting unanimously, may remove or suspend any Associate Member which, in the reasonable opinion of the Member Countries, has committed any act or omission which may bring the Committee and/or European racing into disrepute.
- 3.3. A Member Country may be removed or suspended from the Committee, or downgraded to Associate Member, by a unanimous decision of the other Member Countries, if such Member Country has, in the reasonable opinion of the other Member Countries, committed any act or omission which may bring the Committee and/or European racing into disrepute and/or is prejudicial to the administration of the Committee or the fulfilment of its role and aims. The right to remove or suspend or downgrade a Member Country shall be exercised in exceptional circumstances only.

4. DUTIES

- 4.1 The Committee aims to provide a framework of races in Europe within which the breeding of quality bloodstock and the progression of the thoroughbred are stimulated, and thus have regard for the effect that any implemented recommendations may have on the shape and progression of the breed and on the long-term health of the European Pattern race programme.
- 4.2 The Committee's over-arching strategy will be one in which quality racing and quality horses are encouraged, balanced against an aim to produce competitive and/or compelling racing.
- 4.3 The Committee will contribute, and make recommendations, to the work of the IFHA's International Race Planning and Grading Advisory Committee (IRPAC) and will nominate one member annually, on a unanimous basis, to represent the European Pattern Committee on IRPAC.
- 4.4 The Committee may consider issues referred to it by any Member Country, Associate Member, the IFHA or the EMHF.

- 4.5 The Committee will guide and encourage ‘emerging countries’ within the EMHF, assisting them in their development, especially in technical areas such as the implementation of ratings systems. (Note: ‘emerging countries’ in this context means any EMHF member country without a Black Type race.)

5 REPRESENTATIVES

- 5.1 The Committee shall comprise the following members:
- 5.1.1 One representative from each of the Member Countries, appointed by their respective racing authorities, who shall exercise all the rights of their respective Member Countries (Representatives).
- 5.1.2 A Committee chair (Chair), who will be elected and appointed by the Member Countries on a unanimous basis. Nomination of any candidates to become Chair will rest equally with the Member Countries. For any candidate nominated to become Chair, any roles, interests or connections that may give rise to an actual or perceived conflict of interest with the business of the Committee shall be disclosed to the Member Countries prior to appointment and shall be taken into account by the Member Countries in considering the appointment of the Chair.
- 5.2 The term of office of the Chair shall not exceed five years at a time.
- 5.3 The Chair may be reappointed for a second term, if approved unanimously by the Member Countries.
- 5.4 The Chair’s term of office will normally expire on 31 January.
- 5.5 In the event of a change to the other roles or positions of the Chair during their term of office which may give rise to an actual or perceived conflict of interest, the Committee will be given the opportunity to consider whether or not the Chair’s appointment should continue, with any decision to be taken by the Member Countries on a unanimous basis.
- 5.6 In exceptional circumstances, the Member Countries may terminate the appointment of the Chair, at any time, if they reasonably consider that it would be in the best interests of the Committee to do so and providing such a decision is approved unanimously by the Member Countries.

6. QUORUM

- 6.1 The quorum necessary for the transaction of business shall be all the Representatives and the Chair.

7. ATTENDANCE AND VOTING

- 7.1 Decisions of the Committee are taken either on a unanimous or majority basis, as specified in the Ground Rules.

- 7.2 In the event of a vote of the Committee, each Member Country shall have one vote. However, in accordance with the Ground Rules, in the case of a Member Country submitting a proposal pertaining to a race, or races, taking place in that country, the country submitting the proposal shall not have a vote. The Chair shall not have a vote on Committee business.
- 7.3 The Committee may appoint a deputy chair from amongst the Representatives who will take the chair when the appointed Chair is absent. The deputy chair shall have a vote.
- 7.4 At the discretion of the Chair, any other individuals may be invited to attend for all or part of any meeting as and when appropriate, including a maximum of one additional representative from each Member Country and Associate Member, but will not have a vote.
- 7.5 The Chair or the Secretariat may form a sub-committee to consider any particular issue, subject to the prior approval of the Member Countries.
- 7.6 The European co-chairs of the WBRR Committee and the Secretary General of the EMHF may be invited to attend Committee meetings but shall not hold a vote.

8. FREQUENCY OF MEETINGS

- 8.1 The Committee shall meet formally at least twice a year, and at such other times that either the Chair, or the Secretariat, or any three of the Member Countries shall require.

9. MINUTES OF MEETINGS AND REPORTING

- 9.1 The Committee shall cause minutes to be made of the proceedings and resolutions of all meetings of the Committee, including recording the names of those present and in attendance.
- 9.2 Minutes of Committee meetings shall be circulated to all members and agreed (amended if necessary) at the next meeting of the Committee.

10. OTHER

- 10.1 Any change to the Terms of Reference or the Ground Rules of the Committee must be agreed unanimously by the Member Countries.
- 10.2 The Member Countries and their respective racing authorities agree that these Terms of Reference, and the Ground Rules as amended from time to time, are legally binding on the Member Countries. The Member Countries agree to be bound by decisions of the Committee, taken in accordance with these Terms of Reference and the Ground Rules as amended from time to time.
- 10.3 The Committee shall, from time to time, review its own performance, constitution, and Terms of Reference to ensure it is operating at maximum effectiveness and recommend any changes which it considers necessary.

GROUND RULES OF THE COMMITTEE

1. GENERAL RULES FOR EUROPEAN PATTERN AND LISTED RACES

Every European Pattern and Listed race must conform to the following rules:

- 1.1 It must have no geographically-based conditions of entry with regard to the place of the horse's birth, training or ownership.
- 1.2 It must have a permanent element within the race title, to which a prefix or suffix may be added.
- 1.3 It must justify its Group or Listed status by the quality of its runners, assessed primarily by its Average Race Rating.
- 1.4 An Average Race Rating is the average of the Yearly Race Ratings achieved by a race over a three-year period. The Yearly Race Rating is the average of the official ratings, as agreed by the WBRR Committee, of the first four horses to finish in any given year. In addition, any fillies and mares finishing in the first four in open competition will have 4lb added to their official ratings for the sole purpose of calculating Yearly Race Ratings. If a race is abandoned during any three-year period, the Average Race Rating will be calculated using the average of the three most recent Yearly Race Ratings available. If a race has fewer than four runners the Yearly Race Rating will be calculated by making use of a 'ghost' rating, as detailed below:

Where a race has three runners: the 'ghost' rating for the missing horse will be the rating of the lowest-rated horse to have been placed in the first four in the race in its three most recent renewals, including the year under review, or a rating 5lb below the relevant Average Race Rating Parameter for the grade of race concerned, whichever figure is the higher.

Where a race has fewer than three runners: as above for one of the 'missing' horses; for the other(s), as above, but using a rating 7lb below the relevant Average Race Rating Parameter, whichever figure is the higher.

The Average Race Ratings below are the standard which a race should achieve to justify Pattern or Listed status:

Group 1	Group 2	Group 3	Listed
115	110	105	100

For certain races, however, other parameters will apply as follows:

3-y-os and/or older fillies' and mares' races

Group 1	Group 2	Group 3	Listed
111	106	101	96

2-y-o races (other than fillies' events)

Group 1	Group 2	Group 3	Listed
110	105	100	95

2-y-o fillies' races

Group 1	Group 2	Group 3	Listed
106	101	96	91

- 1.5 Group 1 races must be run with no penalties or allowances other than a sex allowance and a weight-for-age allowance where applicable.
- 1.6 Geldings may be eligible for all Pattern races except those Group 1 races confined to 2yos or 3yos.
- 1.7 No Group or Listed race can be restricted to maiden horses, or horses that have been sold or bought in at a specified public sale(s).
- 1.8 No Group or Listed race should be permitted to divide into two or more divisions.
- 1.9 No Group or Listed race will be run as a handicap.
- 1.10 No Group or Listed race may have a standard entry cost which exceeds 2% of the advertised total prize fund.
- 1.11 Total prize money, as advertised, must be paid out no later than 90 days after the date of the race.

Under certain circumstances the Committee may decide to temporarily suspend a rule, or rules, in order to implement an agreed strategic project designed to have a positive long-term impact on European racing and/or breeding.

2. DEFINITION OF CHANGES

For the purposes of the Ground Rules, changes to Pattern and Listed races requiring consideration by the Committee are defined as:

- 2.1 Any change to the Group of a Pattern race.
- 2.2 Any change to the distance, age or sex restriction, date, venue or surface of a Pattern or Listed race.
- 2.3 Any change to the permanent element in the name of a Pattern or Listed race.
- 2.4 Any change of more than 50% to the total value of a Group 2 or Group 3 Pattern race.
- 2.5 The introduction of a new Pattern or Listed race.
- 2.6 The deletion of an existing Pattern or Listed race.

3. RULES GOVERNING EUROPEAN PATTERN AND LISTED RACE CHANGES

3.1 Upgrading of Existing Pattern and Listed Races and the Creation of New Pattern and Listed Races

The following rules shall apply to the upgrading of Pattern races by Group and admission of new races to the Pattern, and the creation of new Listed races, and shall be waived only in exceptional circumstances and with the unanimous agreement of the Committee.

In the case of a decision requiring approval from a majority of the Committee, the country submitting the proposal shall not have a vote. In the event of a tie, the proposal shall be rejected.

3.1.1 To qualify for upgrading or admission to the Pattern a race must have been run with similar race conditions, comparable prize money and on a similar date for at least the last three years. (Note: a change in venue and/or surface is acceptable).

3.1.2 An application for upgrading or admission of a race which has been abandoned once within the last three years may be submitted only if both of the last two Yearly Race Ratings meet the required parameter.

3.1.3 Upgrading of Existing Pattern Races

3.1.3.1 An existing Pattern race satisfying the requirements for upgrading may be upgraded by only one Group in any one year.

3.1.3.2 A race shall be eligible for promotion to Group 1 or Group 2 if the race in question achieves both an Average Race Rating and a Yearly Race Rating for the last year, in excess of the applicable parameter.

3.1.3.3 No race shall be eligible for upgrading to Group 1 or Group 2 if such an upgrade would involve a clash liable to have adverse effects on an existing Group 1 or Group 2 race.

3.1.3.4 The upgrading of any race already in the Pattern must be approved unanimously by the Committee. (N.B. If a member country chooses to exercise its veto it must do so only on the basis of race planning grounds, and therefore with the overall aims of the Committee in mind.)

3.1.3.5 The number of races to be upgraded within the Pattern in any country will be limited to a maximum of two upgrades in any one year.

3.1.4 Upgrading of Listed Races into the Pattern

3.1.4.1 A Listed race satisfying the requirements for admission into the Pattern can only be introduced as a Group 3 race.

3.1.4.2 A race shall be eligible for promotion to Group 3 if the race in question achieves both an Average Racing Rating and a Yearly Race Rating for the last year which is at least 21b (in both respects) in excess of the applicable parameter.

- 3.1.4.3 The promotion of a Listed race to Group 3 must be approved by a majority of the Committee.
- 3.1.4.4 Any country may introduce one additional race into the Pattern in any one year (but no more than one, other than in an exceptional case approved unanimously by the Committee) provided that the race fulfils the necessary requirements as above.
- 3.1.4.5 Applications for new races to become Pattern races from associate members, or from any other European country wishing to upgrade an existing Listed race into the Pattern, must be approved by a majority of the Committee. Applications will be considered on their individual merits and races must achieve the race rating parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.
- 3.1.5 New Listed Races
 - 3.1.5.1 Any member or associate member may introduce only one additional Listed race in any one year (other than in an exceptional case approved unanimously by the Committee).
 - 3.1.5.2 Subject to the above, the specific race conditions for any new Listed race introduced by a member country does not require the approval of the Committee.
 - 3.1.5.3 An application from an associate member country for a race to become a new Listed race must be approved by a majority of the Committee. Applications will be considered on their individual merits and races must achieve the Listed race parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.
 - 3.1.5.4 An application for a race to become a new Listed race from an emerging country within the EMHF which is not a member, or an associate member, of the Committee must be approved by a majority of the Committee. Applications will be considered on their individual merits and any such race must achieve a rating no lower than 5lb below the Listed race parameters outlined in Rule 1.4 as a Yearly Race Rating in at least two of the last three years. A maximum of one Listed race will be permitted under these conditions for any EMHF country which is not a member, or an associate member, of the Committee.
 - 3.1.5.5 Notwithstanding the foregoing, there shall be no limit to the maximum number of new Listed races which may be created by an emerging country within the EMHF which is not a member, or an associate member, of the Committee (after approval by a majority of the Committee), provided that each such race achieves the Listed race parameters outlined in Rule 1.4 both as an Average Race Rating and a Yearly Race Rating for the last year.
 - 3.1.5.6 Any new Listed race will be assessed by the Committee at the Annual Meeting in the normal way but the relevant Racing Authority will not be issued a warning letter, if applicable, until after its third renewal with Listed status at the earliest.

3.2 Downgrading or Deleting Pattern or Listed Races

The following rules shall apply to the downgrading/deletion of Pattern or Listed races

3.2.1 Group 1 Races and Classic Races for 3 Years Old Only

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for two consecutive years, then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is more than 2lb below the parameter in each of the last two years, a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is more than 2lb below the parameter in each of the last three years, then a majority vote will decide if the race should be downgraded.

3.2.2 Group 2 Races (Excluding those Classic Races for 3 Years Old Only)

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for two consecutive years, then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is below the parameter in each of the last two years a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last three years, then a majority vote will decide if the race should be downgraded. If it is not downgraded, then the Yearly Race Rating will need to meet the required parameter in the following year, or the race will be downgraded automatically.

3.2.3 Group 3 Races

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for two consecutive years, then a majority vote will decide whether the race should be downgraded.
- If the Yearly Race Rating is below the parameter in each of the last two years, a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last three years, it will be downgraded automatically.

3.2.4 Listed Races

- If the Average Race Rating is more than 2lb below its parameter, a warning letter will be issued to the relevant Racing Authority.
- If the Average Race Rating is more than 2lb below its parameter for two consecutive years, it will be downgraded automatically.
- If the Yearly Race Rating is below the parameter in each of the last two years, a warning letter will be sent to the relevant Racing Authority.
- If the Yearly Race Rating is below the parameter in each of the last three years, it will be downgraded automatically.
- For a Listed race from an emerging country which is not a member, or an associate member, of the Committee, a 5lb lower rating parameter will apply in the case of both the Average Race Rating and the Yearly Race Rating.

3.2.5 When assessing the potential downgrade of a Group 1 race, or a Classic race for 3 years old only, the Committee may additionally take account of the ratings of the four highest rated horses in the race as well as the first four to finish.

3.2.6 The Committee must be informed at the Annual Meeting of any voluntary downgrading or deletion of a Pattern or Listed race by the country concerned. However, no country will have any right of veto in such circumstances.

3.3 The following rules shall apply to any other amendments defined as changes to Pattern or Listed races:

3.3.1 Any change to the distance, age, sex restriction or date of a Group 1 or Group 2 race must be approved unanimously by the Committee.

3.3.2 Any change to the distance, age, sex restriction or date of a Group 3 race must be approved by a majority of the Committee, whilst any such changes to a Listed race must be notified to the Committee (subject to 3.3.5 below).

3.3.3 Any change of surface or venue, any change to the permanent element in the name of a Pattern or Listed race, and any change of more than 50% to the total value of a Group 2 or 3 Pattern race should be approved by the majority of the Committee.

3.3.4 A member country should only exercise its veto on the basis of race planning grounds, and therefore with the overall aims of the Committee in mind.

3.3.5 For Listed races run in emerging countries which are not a member or an associate member of the Committee, any such changes outlined in 3.3.2 must be presented to the Committee at the Annual Meeting by the representative of the EMHF and will require the unanimous approval of the Committee.

4. WEIGHT-FOR-AGE AND SEX ALLOWANCES

The Committee aims to utilise and retain identical weight-for-age scales and sex allowances across all member and associate member countries.

5. NOTIFICATION & IMPLEMENTATION OF CHANGES

- 5.1 All Pattern and Listed race proposals for the following year must be notified to the Secretariat by 12 December for immediate circulation to all member and associate member countries. This requirement shall be observed strictly so as to ensure time for proper consideration of the proposals before the Annual Meeting of the Committee.
- 5.2 Proposals submitted in accordance with Paragraph 5.1 must later be updated to contain the official ratings, as agreed by the WBRR Committee, and returned to the Secretariat at least 10 days in advance of the Annual Meeting. The Committee may reject any Pattern or Listed race proposals returned with incomplete information.
- 5.3 Changes shall be implemented for the immediate season if accepted according to the Ground Rules.
- 5.4 Until a public announcement has been made by the Committee, there must be no official statement to the media of any proposed or approved changes to Pattern and Listed races.
