

OWNERSHIP GUIDANCE NOTES

REQUESTS FOR REGISTRATIONS AS A COMPANY OWNER

1. These Guidance Notes should be read before completing the Application Form to which they relate. They are designed to assist but should any matter be unclear, applicants are encouraged to contact the Ownership Desk (01933 440077) for further confidential guidance.
2. Applicants are required to demonstrate or confirm that they are suitable (i.e. that they are 'fit and proper') to be registered. The information provided by the applicant and its company officers in response to the Application Form will be used by the BHA in assessing the applicant's suitability and may be used in conjunction with data obtained by the BHA from other sources. The BHA reserves the right to request details of any persons able to exert control over the applicant (either through shareholdings, ownership of parent companies or if share/voting power are held across multiple people (i.e. family members) who act in concert), if information comes to light which indicates that there is, or may be, a serious issue relating to their suitability that could adversely impact the applicant entity or the wider sport of horseracing. This provision will only be used in exceptional circumstances and not in the ordinary course of the company ownership registration process.
3. Ownership Names' and Styles will only be accepted in accordance with the BHA's published policy.
4. Unless otherwise agreed with the BHA, the bank account linked to any payment details provided as part of the Application Form, or at a later date if necessary, should be in the name of the applicant.
5. It is also important that applicants understand their responsibilities under the [Rules of Racing](#) and, specifically, the Rules as they relate to Ownership under Chapter (C) - Ownership and Registration.

GENERAL SUITABILITY

6. In considering any application, the BHA must be satisfied that the company is suitable to be registered. Relevant considerations include the honesty and integrity and financial soundness of the Company, including its officers and members as appropriate (the "Company").
7. In relation to each section below, the BHA expects full and frank disclosure from the Company, who are required to disclose matters known to them and those which they can be expected to discover by making enquiries. Failure to do so will be a relevant factor in the assessment as to an applicant's honesty and integrity.
8. A Company whose conduct, behaviour or character is not in accordance with that which, in the opinion of the Authority, should be expected of a registered person, may not be considered suitable and therefore may be refused registration.
9. In some cases a single factor may lead to the conclusion that a company is not suitable, whereas in another case the determination of whether a company is not suitable may depend upon the cumulative assessment of a number of matters.
10. It is not possible to produce a definitive list of all matters that would be relevant to a

particular application. This document should be considered a guide as to the sorts of considerations that the BHA will have in mind when making such an assessment.

HONESTY AND INTEGRITY

 - 11.8. Whether any company officer has engaged in conduct or there are circumstances which may render the applicant susceptible to pressure from persons seeking to corrupt horseracing and whether the applicant is likely to or may engage in such conduct.
