

KEMPTON PARK STEWARDS' REPORT

Monday 31 October 2016

Stewards: Lord Rathcreedan (Chairman), Christopher Price, Colin Vickers (Stipendiary), Richard Westropp (Stipendiary), James Follows (Stewards' Secretary)

Going: Standard to Slow

Stalls: All Races: Inside

Fixture Note: The Stewards held an enquiry following the incident in Race 3 which resulted in the fall of four horses and riders. They interviewed the Senior Racecourse Medical Officer and the Clerk of the Course. The Medical Officer reported that Jim Crowley and Frederik Tylicki, two of the jockeys involved, had been treated extensively on the racecourse before being taken to a major trauma centre with suspected spinal injuries. The Clerk of the Course said that the racecourse was now medically compliant but having heard that the overwhelming feeling of the jockeys was that racing should not continue as a mark of respect to those injured, the Stewards decided that the rest of the meeting should be abandoned.

The Stewards noted that SEXTON BLAKE (IRE), unplaced, ducked quickly left handed and interfered with SAKHEE'S JEM, unplaced, which was checked in its run approximately two furlongs out but after viewing a recording of the race they were satisfied that it did not involve a riding offence.

Adam Kirby, the rider of SONNET (IRE), unplaced, reported that the filly was never travelling.

Race 2 - 2:50pm.

THE BREEDERS SUPPORTING RACING EBF MAIDEN STAKES (CLASS 4) (PLUS 10 RACE) (Sire-restricted race)

Race 3 - 3:20pm.

THE BREEDERS BACKING RACING EBF MAIDEN FILLIES' STAKES (CLASS 5)

The Stewards gave permission for MADAME BUTTERFLY (IRE), trained by David O'Meara, to go early to post and to be mounted in the chute, as did ISSUE, trained by James Fanshawe.

The Stewards held an enquiry under Rule (B)11.6 into the falls of NELLIE DEEN (IRE) ridden by Frederik Tylicki; ELECTRIFY (IRE) ridden by Jim Crowley; SKARA MAE (IRE) ridden by Steve Drowne and SOVRANO DOLCE (IRE) ridden by Ted Durcan, at the four furlong marker. They interviewed Graham Gibbons, the rider of MADAME BUTTERFLY (IRE) and Pat Cosgrave, the rider of CUTTY SARK but were unable to interview Tylicki, Crowley, Drowne or Durcan owing to their injuries. Having heard their evidence and viewed recordings of the incident the Stewards found that the falls were caused by Tylicki clipping the heels of MADAME BUTTERFLY (IRE) and NELLIE DEEN (IRE) falling, which in turn resulted in the falls of ELECTRIFY (IRE), followed by SKARA MAE (IRE), followed by SOVRANO DOLCE (IRE). Being satisfied the incident was accidental, the Stewards took no further action and ordered the placings to remain unaltered.
